OUR STORY

Motion is located in a listed Victorian warehouse in the centre of Bristol, on the bank of the River Avon in close proximity to Templemeads Station. The existing building was formerly a gasworks and Marble Factory before it became a popular skatepark location. We began hosting parties in 2006 when the skate ramps formed part of the dancefloor until 2015 when the complex eventually turned into a full-time nightclub and music venue. Motion now hosts a multitude of events including gigs, festivals, sporting events, corporate hires and private events, as well as the club nights that the venue is famed for.

MARBLE FACTORY

MAX CAPACITY: 1350 (BASED ON STANDING)

Bristol's newest and most unique venue The Marble Factory has been completely re-developed and re-configured to host all styles of live music, club nights and much more. It boasts a steel amphitheatre style mezzanine, which evokes a riotous atmosphere. The philosophy applied throughout the process of developing the venue was to offer both artists and promoters a truly unique space for live music and events, alongside an enjoyable touring experience.

AND COMBINED WITH THE CAVE* ROOM)

*CAVE

The Cave is one of our smaller spaces, mainly used as a bar area for our club events, this room has a built in bar and nooks for seating as well as a DJ booth. This room is perfect for very small events or as an add on to the Motion Main Room as a bar or wind-down space.

The Tunnel is also one of our smaller, more intimate spaces. An aphotic, moody, corridor type space with a DJ booth at the end, this is the perfect space for intimate DJ sets or dark and gloomy photo shoots. This room comes with an adjacent bar area and access to the Lockyard for an outdoor smoking area. Perfect for very small events or as an add on to Motion Main Room as another stage or bar space.
